

# TRADE AT HOME

Are you among the thousands of men and women who are *carred away* by the catalog habit? Is there anyone in your immediate family circle who is allowing this habit to run away with him. This *habit* started more than forty years ago. It is *this* same habit that has stunted the growth of thousands of communities. It has built up a few enormously large *cities* at the expense of your town. Don't allow a habit like this to run away with you. Take the bit in your own teeth. Investigate for yourself. Find out. Take it over with your home merchant. Get your heads together. That *habit* is hurting you both. By killing this habit you benefit yourself, your children, your neighbors, your community. Spend your money at home.
